

Climate Change Water Recycling Measure Implementation

SWRCB Workshop

March 4, 2009

Introduction

Sonoma County Water Agency

- Randy Poole
- Pam Jeane

Presentation Outline

For Each Facility

- Current Programs
- Future Initiatives

Overall

- Challenges

Sonoma - Current

Greater than 40% Recycled

- Wetland Enhancement
- Dairy Irrigation
- Vineyard Irrigation

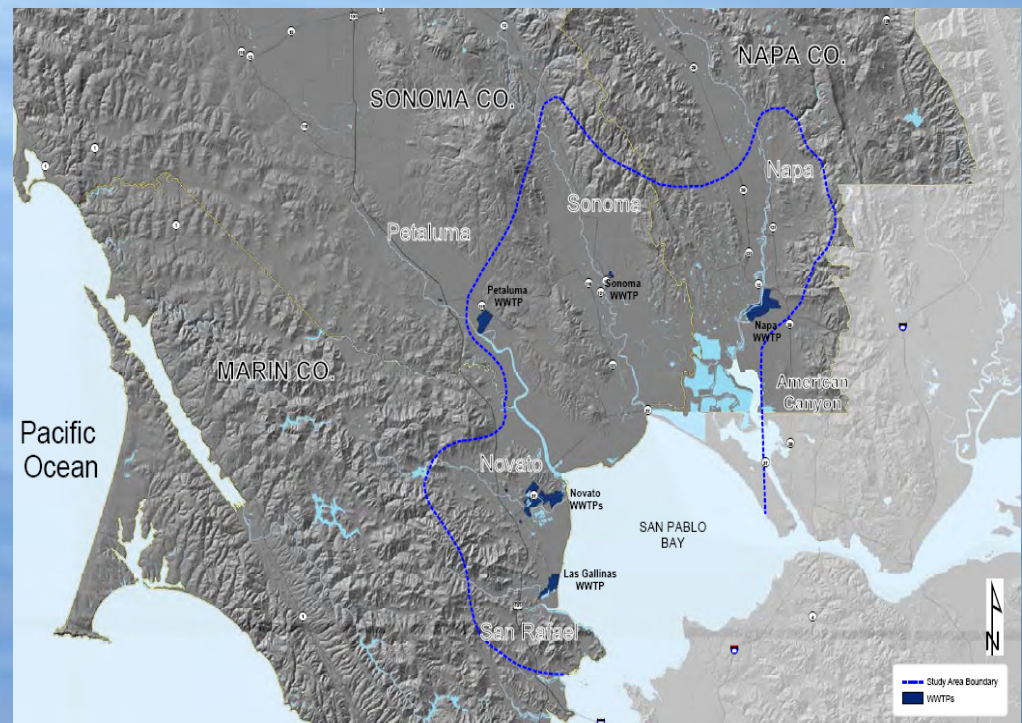

Sonoma - Future

Major Initiatives

- Conservation
- Salt Marsh Restoration
- Urban Reuse
- Regional Program

North San Pablo Bay Region

Airport - Current

100% Recycled

- Vineyard Irrigation
- Pasture Irrigation

Airport - Future

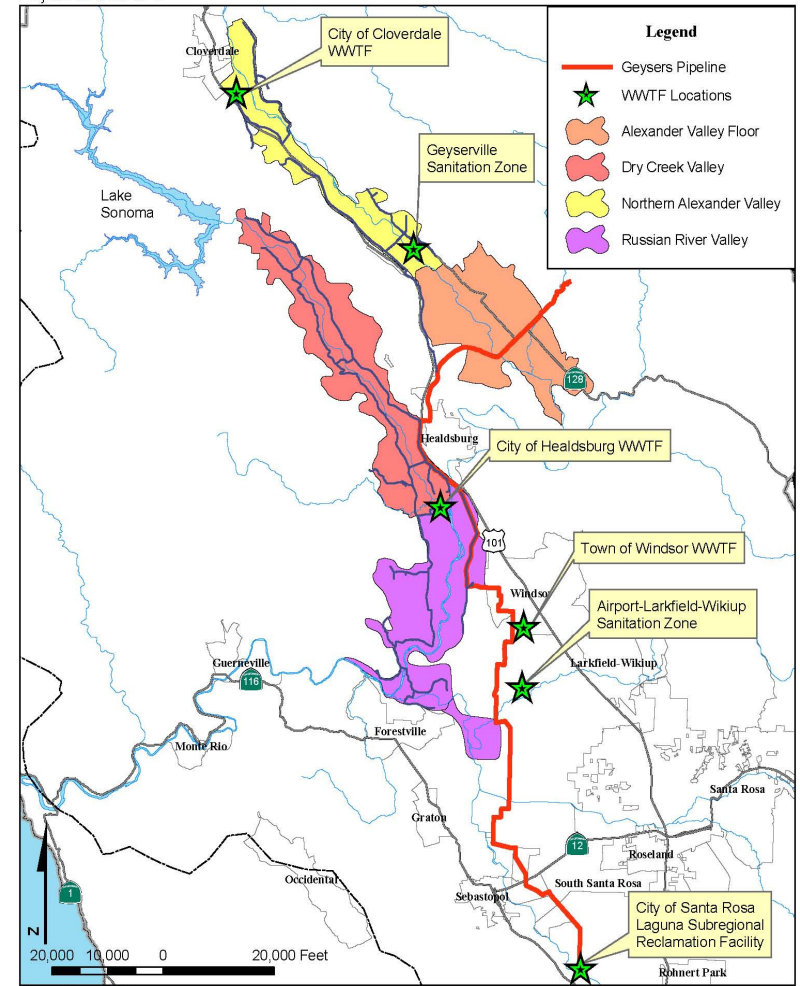

Traditional

- Agricultural Reuse

New

- Conservation
- Fuel Cells
- Geo-Exchange

February 2007
Project No. 0402-0741

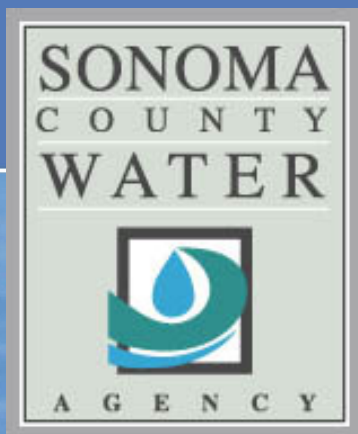

PROJECT LOCATION MAP
